

COVID-19 UPDATE

With the number of cases still increasing in North Carolina, our priority is to maintain a safe environment at Seven Oaks for all members and staff.

In order to keep everyone healthy and keep the facility open for business, we ask that you take the following practices when visiting the facility:

- Maintain **6 feet social distance** any time possible.
- Avoid any congregating or mingling on or around the courts.
- **Wear a mask when not being able to social distance or when entering the pro shop and bathrooms.**
- Treat everyone you encounter at the club as someone who potentially has COVID-19.
- If you think you may have been exposed to COVID-19 or experience some symptoms, please refrain from visiting the club.

We wish everyone happy and safe holidays!

Sincerely,

Seven Oaks Tennis

The most Fun place to play tennis with Family and Friends!
